How Can You Help?

Receiving and Triage Worker:

This position requires the ability to lift and move materials from a vehicle to a triage area. In the triage area, the worker will assess where to move the material where it will be prepared for sale. The worker will need to use guidelines for accepting materials and possibly saying no. Lifting will be required (physically demanding).

Setup = Sort/Price/Arrange:

This position requires the ability to assess material, price and arrange for sale in the correct department. This will be repetitive work and require some lighter lifting and transferring of materials.

Check Out:

This position requires the ability to deal with cash and /or credit interactions (will train) as they check out customers. May sit or stand for this position (less physically demanding)

Hospitality/Floor Work/Sales

This position will walk the floor and offer assistance to customers. They will be the ambassador for our parish and will meet needs of customers. They will answer questions, hand out maps and may need to write up sales slips to assist cashiers during busy times. The position will require walking and some possible light lifting

More on back...

Security/Transport

This position will be an ambassador helping customers while watching for customers attempting to gain access to off limit areas. They will also help in moving furniture for pick-up. (at times, physically demanding)

Clean Up

This position will help take down and return equipment, pack and load materials, and sweep and mop as needed. (physically demanding)
